

Zahnärztin / Zahnarzt

We spare no expense or effort to attract you to our WEISS32 Dental Center . When it comes to recruiting talented dentists, no effort is too great.

With a well-coordinated team of 19 employees, state-of-the-art equipment, and innovative specialist departments, we are a fully digital dental center for the new generation of dentists, dental assistants, and dental technicians, centrally located at the train station in Degerloch.

Become part of a community that stands for innovative, high-tech dentistry and a highly personal patient relationship.

For our dental practice in Stuttgart-Degerloch, we are looking for a full-time dentist, with or without professional experience.

Ihre Verantwortung:

- Conservative dentistry
- Profound experience in the field of endodontics and/or pediatric dentistry and/or aesthetic treatments is desired

Ihr Profil:

- German license to practice medicine
- Enjoyment of professional exchange
- Interest in further training and employee development
- Entrepreneurial spirit & strong sales despite permanent employment
- Previous experience working with high-tech equipment is desirable: 3D scanner, DVT, microscope, etc.
- Very good knowledge of German

Experienced, modern, humane, and well-structured. Our practice is a collaborative environment comprised of all-rounders, dynamic innovators, and passionate experts in their fields.

Treatments are carried out exclusively with renowned quality products; implants and dentures are manufactured in our in-house laboratory.

Uns zeichnet aus:

- humorous, familiar collaboration
- fully equipped, with in-house practice laboratory at the highest level
- Trust and independent work
- Above-average remuneration – plus bonus payments
- company pension scheme
- Further training: paid, external training courses, numerous in-house training courses
- Work-life balance – flexible working hours to your advantage
- Location – Central, well connected
